Dear Mr. Casey:

On behalf of the officers and wives of Foreign Area Officer (FAO) Course 2-81, please extend my sincere appreciation to your staff for the excellent support during our recent Washington Interagency Field Trip.

We are especially grateful for the assistance of [redacted] Special Programs-Office of Training and Education, in arranging our visits to the Central Intelligence Agency on 6 October 1981.

The entire program was conducted in a very professional manner. Each briefer provided a unique insight concerning special areas of common interest to members of the FAO Specialty and the intelligence community. The candid discussions for the FAO students with regional experts and the question and answer periods following each briefing were most informative. The cooperation of CIA personnel in conducting the program reflects a genuine interest in exchanging valuable information essential to our training program.

Thank you for your continued support of our educational mission.

Respectfully,

JOSEPH C. LUTZ
Brigadier General, USA
Commandant
